Happy Home Baptist Church's Youth Revival

"Spiritual men and women, qualified by wisdom and experience, should take young people under their wings. They should point them to Jesus and teach them the lessons of their own failings and successes. By so doing, they can help mold a new generation of leaders. Many youth would go far if they only had a caring adult who believed in them, guided them,

preserved them, and prayed for them..."

On behalf of Bishop K. E. McNeal and the Youth Department of Happy Home Missionary Baptist Church, 1012 E. Gwinnett Street, we would like to prayerfully request your presence at our youth revival on August 20 and August 21, 2008 at 7pm. This year's theme is "Youth on the Front Line." Each

evening will be blessed with local youth choirs, praise teams, and praise dancers. Minister Anthony Williams of New Shiloh Baptist Church will also bless you with a spiritual word. (Pastor Tony Reddick).
