Notice of Availability and Public Hearing on the Draft Overseas Environmental Impact Statement (OEIS)/Environmental Impact Statement (EIS) for the Undersea Warfare Training Range

The US Navy will host a public information session and a public hearing for the EIS that was prepared regarding the Navy's proposal to establish an Undersea Warfare Training Range (USWTR) offshore of the east coast of the United States. The USWTR would be a 500-square-nautical-mile (NM²) area of the ocean instrumented with undersea cables and sensor nodes and used for anti-submarine warfare (ASW) training. Interested members of the public are urged to attend to learn about the project and the EIS, and to offer their comments. Written comments will be taken at both the public information session and at the hearing. Oral comments can be made at the hearing and will be limited to three (3) minutes per speaker.

October 7, 2008 The UNF University Center
12000 Alumni Drive
Jacksonville, FL 32224-2678

The public information session will be from 5:00 p.m. to 7:00 p.m. The public hearing will be held from 7:00 p.m. to 9:00 p.m.

The environmental impact statement is available to the public on the Internet at <http://projects.earthtech.com/USWTR/> and at the following location:

Jacksonville Public Library
Regency Square Branch
9900 Regency Boulevard
Jacksonville, FL 32225
