Pathway to Victory

Evangelist Rachel Thomas

We have the victory if you find your path in Jesus. He is the Way, the Truth, and the Life! We can only do it through Him because He said, "I can do all things through Him who strengthens me."

There are trials, tribulations and circumstances which we face in life and they are so insurmountable that we just do not, and cannot see anyway around or out of them. However, if you "have" the "Savior," if you have the Holy Spirit of God, you can make it, because with Him, ALL things are Possible!! Thank God for Jesus! Look to Jesus. He is the answer to every problem. He is the Way!

May I Present:
...My friend, Jesus Christ!
Doubtless, His name is familiar to you, but have you ever met Him? Knowing about Jesus Christ and knowing Him are two vastly different things.

To know Him is to Love Him! "W love Him because He first loved us." 1 John 4:19. To know Him is to serve Him. "Whatsoever ye do, do it heartily as to the Lord." (Col. 3:23) To know Him is to have eternal life, and an entrance into Heaven. "For whosoever shall call upon the name of the Lord shall be saved." (Rom. 10:13).

Do you want to know Him?

1. **BELIEVE on Him:**
"God hath given to us eternal life, and this life is in His son" (1 John 5:11).

2. **RECEIVE Him personally!** "But as many as receive Him, to them gave He power to become the sons of God, even to them that believe on His name." (John 1:12).

Webster's dictionary defines the word "Path" as 1: a way worn by footsteps; 2. a walk for use by people on foot, as in a park; 3. a course along which something moves; and 4. a course of conduct or procedure. I believe the word can be defined as a journey in life in which each individual must travel, to make a way where none had existed, to a point in destiny where one must spend eternity.

I know there is a cliché of "Been there, done that" but have we really walked in our brother's shoes so to speak? God has a plan for each one of us, and I believe they are all as different as the finger print of each person's hand--none are the same.

In order to fulfill that plan God has for us, we must seek His face and be that pathfinder where none had existed. We must look into ourselves to see what kind of heart we have? Examine yourself (nailing the coffin of yourself).

The plan God has for us is all uphill. He did not say the road would be easy in this world, but He did say to "press" our way because He has overcome "this world," and there is a prize at the end which we will receive for fighting good fight of faith.
